FREE delivery 1000s of branded products EARN points

All offers subject to availability and while stocks last. All prices applicable until 30th June 2011. Every effort has been made to ensure the correctness of price and descriptions at the time of going to press. All images are representative and may not reflect the actual product. Price comparisons refer to previous prices of the products within The Co-operative Electrical Buying Group member stores. Extended repair protection plans are underwritten and administered by our selected provider and are in addition to the manufacturer's guarantee. Extended repair protection may be available from other providers.
